

Exclusive Wines. Distributed Throughout Colorado.

The Rare Grape is just that, a rare opportunity to source exceptional wine from an extraordinary region.

We believe that when wine making starts with the soil and vines, there is a foundation for an elevated product. Behind each bottle is years of work, history and personal touch.

Our personal love of the region, culture and heritage was the catalyst to form The Rare Grape. We are on a mission to provide wine lovers with higher quality experiences across Côte d'Or.
